

Version 00/2025

**For impeccable clothing,
Arctic is the right choice!**

Cleaner, softer, and more fragrant clothes

Arctic Laundry Detergent was designed to make laundry care much simpler and more efficient. Its concentrated, biodegradable formula ensures deep cleaning, caring for all types of fabrics—from everyday items to the most delicate.

With its high dirt-removal power, it preserves fibers, keeping your clothes clean, soft, and fragrant with every wash. And best of all, because it's concentrated, it lasts much longer, offering savings without sacrificing quality.

Features and benefits:

- **Enzymatic action** helps remove stains.
- **Optical brighteners** that keep clothes white and colors vibrant for longer.
- **A combination of surfactants** enhances cleaning power.
- **Easy to dissolve and rinse.**
- **Recommended for: White and colored clothes.**
- **Available in: 1L and 3L.**
- **High performance:**

1-liter container – lasts up to 12 washes.
(Cap size 20 mL)

3-liter container – lasts up to 36 washes.
(Cap size 30 mL)

Version 00/2025

How to use:

For an efficient and fragrant clean, place clothes in the washing machine or sink. Add 80 mL of Arctic Liquid Laundry Detergent, previously diluted in water. Select the ideal cycle and start the wash.

Important:

We recommend not pouring the product directly onto clothes. Always follow the washing instructions on the labels. Before mixing items, check for dye bleed, as this may stain other clothes. If in doubt, wash separately.

Ingredients:

Anionic surfactant, nonionic surfactant, sequestrant, pH regulator, thickener, preservative; colorant; fragrance; and carrier. Active ingredient: Linear alkylbenzene sulfonic acid.

Recommendations, precautions and storage:

- **KEEP OUT OF REACH OF CHILDREN AND PETS.**
- Do not reuse the packaging. Keep the product in a cool, dry place. In case of contact with eyes, rinse immediately with plenty of water.
- Do not ingest. If swallowed, do not induce vomiting and immediately consult a Poison Control Center or doctor, bringing the product label with you. CEATOX (phone: 0800-014-8110).
- Avoid prolonged contact with skin. After using this product, wash and dry your hands. Rinse objects and utensils used as a measure with plenty of running water before reusing them.
- Keep the product away from sunlight and heat.
